

This form allows the Chapter to nominate a Member of Phi Sigma Pi for a Distinguished Service Key, to be awarded by the National Council. Distinguished Service Key guidelines can be found in the National Constitution.

Historically, a Distinguished Service Key has been awarded to a Brother whose contributions nationally or on behalf of the National Fraternity have been outstanding. Chapters who wish to recognize individuals whose contributions are limited to a Chapter are encouraged to consider awarding them a Chapter Service Key.

For more information on Chapter Service Keys, please contact your Chapter Consultant or National Office.

The nominating Chapter must include a 200 to 500 word detailed essay describing why the nominee should be awarded the Distinguished Service Key. In order to nominate a Member, the Chapter must submit the nomination to the National Headquarters by June 1st.
