

Communicating with the National Office

Among the benefits of Phi Sigma Pi membership is access to resources and opportunities provided by the Fraternity's National Staff based at the National Office in Lancaster, PA. No matter what issue your Chapter may be facing, the National Office is always ready to provide support, offer advice and answer your questions.

1 Maintaining Contact

The National Constitution includes maintaining regular contact with the National Office as one of the responsibilities of a Collegiate Chapter. The Chapter President acts as the official representative of the Chapter, but all Members are expected to provide updated contact information so that National Office staff members are able to reach them if needed. It is expected that all Members will respond promptly to inquiries from the National Office, especially when the issue is time-sensitive.

2 Participating in National Events

From Leadership in Action Tweet & Eats to Leadership Academy to National Convention, Members will have opportunities throughout the year to participate in National events aimed at developing individuals, strengthening Chapters and fostering the mission of Phi Sigma Pi. Chapters should plan to take advantage of every opportunity to engage with the Fraternity at the National level, helping Members to make the most of their Phi Sigma Pi experience. This means sharing news from the National Office, promoting opportunities and planning financially for the costs associated with participating in National events like Leadership Academy and National Convention.

3 Sharing Chapter Highlights

The National Office wants to hear from you! Chapters all over the country are doing awesome things every day to promote Phi Sigma Pi on their campuses and spread our mission to improve humanity with honor. Sharing challenges you face will help the National Office to develop training and resources to support your efforts. You should also let the National Office know when there's cause to celebrate successful Recruitment, an excellent event, a lucrative fundraiser or awards from your college/university. Engaging on social media is a great way to communicate Chapter highlights, especially when there are photos!
