

Fellowship Ideas

Phi Sigma Pi's Mission Statement highlights "cultivating lasting fraternal bonds" as one of the key values of our Fraternity. Chapters that embody Fellowship are those that foster relationships among their Members and provide an environment that is welcoming and accepting of all.

Get Active

Fellowship can mean more than just hanging out. Find an activity to do together like bowling, hiking, mini golf, swimming, bike riding, roller skating or jogging.

Grab a Coffee

Meet at a regular time each week to have coffee on campus or nearby. Bring your homework for a study session or just chat to get to know each other better.

Host a Book Club

Select a book to read together and discuss with others who enjoy reading for fun. You can combine with a potluck where everyone brings a dish to share.

Make Something Together

Get crafty together by painting pottery, scrapbooking, knitting or anything else creative. Don't be afraid to get a little messy!

Play a Game

Have a board game night where each Member brings their favorite game to teach others to play or play a video game together virtually.

Share a Meal

Whether you're eating out, having it delivered or whipping something up yourself, host a dinner party to get everyone together around great food.

Watch Something

Get Members together to watch a favorite show each week or have a movie marathon. You can rotate locations to different Members' residences. Make sure someone brings the popcorn!

Making the Most of Your Chapter's Fellowship Efforts

- Choose a fun theme based around an upcoming holiday (Halloween, Valentine's Day, etc.) and have everyone come dressed up
- Capitalize on opportunities to engage Alumni and Members near you
- Collaborate with a nearby Chapter on a larger event
- Mix up the location by having different Members host weekly
- Invite Members from other campus organizations with similar values
- Highlight PSP by wearing letters
- Post about your events on social media with pictures of the fun
- Get more bang for your buck by planning a Fellowship event with a team building component

Zeta Beta Chapter (Franklin & Marshall College) played mini golf together as a Chapter.
