

Brothers Are We

Music by Charles Darrin and Lyrics by Edward Ingraham
(Theta Chapter)

Bound by the ties of friendship,
Bound by the ties of truth,
Ideals to show us service, love and loyalty.

For you is service, honor,
To keep your standard true.
Through all the years together,
We pledge our lives to you.

Brothers Are We in Phi Sigma Pi;
Knowledge the teacher, skill the means of life,
Fellowship ever to live or die
Brothers are we forever, Phi Sigma Pi.
