

Leadership Ideas

Phi Sigma Pi's Mission Statement highlights "inspiring Members to lead" as one of the key values of our Fraternity. Chapters that embody Leadership are those that create opportunities for Members to develop as leaders and then apply their skills to serve others.

Create Opportunities

Anyone can be a leader even if they don't have a leadership position, but making sure to have roles for leaders of all levels will provide Members an outlet for their skills and experience.

Leadership in Action

Host a Leadership in Action Module based on the needs of the Chapter or specific skills that Members would like to strengthen. Members are encouraged to become Facilitators to offer LiA to their Chapter.

Participate in Campus-Wide Events

Events like Relay for Life, THON and others bring campus organizations together in support of a common cause. Getting Members to engage in this type of service will increase visibility for the Chapter while building relationships with other organizations.

Support HOBY

Supporting our national philanthropic partner is a great way for Members to demonstrate their leadership through service. Members can hold a supply drive, collect funds to sponsor a student or volunteer at an event.

Volunteer Locally

Whether your Chapter has a local philanthropy or a few different local charities you like to support, volunteering your time and raising funds for worthy causes in the local community are great ways to improve humanity.

Making the Most of Your Chapter's Leadership Efforts

- Poll Members to find out what organizations they already support or what causes mean the most to them
- Capitalize on opportunities to engage Alumni, family and the campus community
- Collaborate with another student organization to expand your impact
- Get creative about addressing a student or community need
- Make a big deal about promoting a worthy organization that will benefit from your efforts
- Promote PSP by wearing letters while participating in leadership activities
- Highlight the good work you're doing by posting pictures of Members leading through service on social media

Theta Chapter (Mansfield University) sold quesadillas and won a prize at their campus's Relay for Life.
