

Who to Send to Leadership Academy

Leadership Academy is an award-winning, professional leadership development program for Phi Sigma Pi Members. The program has been designed to provide an insightful, challenging experience that will fully engage attendees in reflecting upon and evaluating their own strengths and how to use the strengths of fellow Members to develop as an organization. It's important that every Chapter be represented at Leadership Academy so that the information can be taken back to the whole Chapter, giving every Member a chance to benefit from the program. Here are three types of Members to consider sending to Leadership Academy:

- 1 Those Who Hold Leadership Positions**

Members who are familiar with your Chapter and its practices are a good choice to send to Leadership Academy. Included in the program are breakout sessions for Officer and Committee Chair Training that will be beneficial to every position. Those in leadership positions will be especially useful as they distill the information to create specific goals for your Chapter through strategic planning.
- 2 Those Who Want To Be Leaders**

Everyone in the Chapter can be a leader, even if they do not hold a specific position. Sending a Member who aspires to be a leader in your Chapter will give them the opportunity to improve themselves while serving the Chapter. Specific aspects of the Leadership Academy programming that would be especially beneficial to aspiring leaders include personal leadership development through leadership inventories and networking opportunities.
- 3 Those Who Are New To The Chapter**

Allowing new Members to attend Leadership Academy is a great opportunity for them to get better acquainted with Phi Sigma Pi. Participating in large and small group discussions will help them to get to know other Members and improve their interpersonal skills. The Leadership Academy is a great introduction to the Tripod as the program features Scholarship, Leadership and Fellowship through Leadership in Action Modules and Facilitator Training. New Members who attend Leadership Academy are sure to return to your Chapter with new ideas from other Chapters and the energy to contribute to your mission and goals.
