

# Graduate Students & Your Chapter

Has your Chapter received interest from graduate students who want to join? Do you know how graduate students can be involved in your Chapter's events and operations? Look no further! We are excited that there is an abundance of interest to join our Chapters. Graduate students can provide tremendous support for your Chapter's growth and success. Listed below are just a few ways graduate students can be a part of your Chapter.

## 1 Chapter Operations

- Provide support in planning events
- Plan and lead events or presentations
- Assist with leadership development

## 2 Recruitment

- Help with advertising Recruitment
- Set up and take down for events
- Participate in Recruitment events
- Conduct individual outreach to Potential New Members
- Participate in the Pinning Ceremony

## 3 Initiation Program

- Attend and participate in events
- Serve as Bigs
- Participate in The Induction Ceremony
- Continue to educate New Members

### Membership Program

Graduate students can begin their Membership journey at [phisigmapi.org/membership](https://phisigmapi.org/membership).

Contact [membership@phisigmapi.org](mailto:membership@phisigmapi.org) with questions.

### Graduate Student FAQ

Q. Can graduate student Members be voting Members of a Chapter?

A. Based off of our National Constitution, Collegiate Chapters are designated for undergraduate students. However, Graduate students can join as Members. These graduate Members would play a supportive and advisory role for your Chapter.

Q. Do graduate student Members receive the same benefits?

A. Yes! Our graduate student Members receive the same Member Benefits as our undergraduate Members. These benefits can be found at [phisigmapi.org/memberbenefits](https://phisigmapi.org/memberbenefits).
